ASCBC Lecture Series Scheduled For Next Year

Guests at next year's ASCBC - sponsored lecture series will present programs ranging from musical concerts to discussions of economics, politics, and outer space.

Six "lecturers," to be spaced throughout the year, have been chosen by a committee of students.

Music will be the topic of Miss Elmerlee Thomas and Jim Wood, and of Reginald Stewart.

Miss Thomas and Wood will present a vocal and guitar concert of folk music in an evening performance. Miss Thomas has been at CBC before. She sang with the Gateway Singers when they appeared as part of a lecture series several years ago. They will be here the week of October 15.

Reginald Stewart is a pianist and conductor and will present a program November 12 called "Music for Kings," in which he will both play and talk.

"Face to Face With Space," will be the topic discussed by lecturer Armand Spitz, the week of April 1. Spitz is the

inventor of the Spitz Planetarium in Cambridge, Mass.

Felix Greene, Canadian author and traveler, will speak on "China Revisited," on January 11.

Dr. Eleanor Lansing Dulles, sister of the late John Foster Dulles, will discuss "The U.S. and the Challenge of the Common Market." Dr. Dulles holds the rank of minister in the U.S. State Department and is an authority in the fields of economics and diplomacy. The date of this lecture is not set.

Dr. Zelma George is also scheduled to speak March 13 but her topic has not been finally selected. Dr. George wears many coats. She is not only an actress and a singer, but is also a member of the U.S. delegation to the United Nations and has served on a number of governmental commissions.

The selection committee was composed of Mary Anderson, Dave Nord, Veronica Colby, Bob Avery, and Lynda Hagens.

Satire Chosen For Spring Play

Casting has been completed for Moliere's three act social satire "Scapin and the Scamp" — which was chosen by the CBC drama department for their spring production.

Mike McKeown appears as Scapin, Fred Culverhouse as Geronte, Pete Bradley as Leander, Merv Carstens as Archange, John Hall as Octave, Danny Downs as Sylvester, Sharon Dudley as Zerbinette, Wanita Dunbar as Hyacinthe, Teddi Clapp as Nerine.

Speech Prof. Given Post

CBC speech instructor Lee Lane has accepted an appointment as member at large of the Washington State organization of Speech Association of America.

His appointment takes place this spring.

As a member of the association, he will participate in the planning of the annual state speech convention and several workshops for the coming school year.

Listener Appreciates Eastern Choir Concert

If you missed the choir concert by Eastern Washington College students last week, you shouldn't have.

The group, directed by the former music director at Olympic College, sang a variety of compositions, ranging from religious to popular, ending with a difficult modern German number accompanied by bass and drums.

The variety, the difficulty of selection, and the expression with which they sang impressed this reviewer as indicative

of both student talent and expert direction.

A portion of the choir, described as the college's public relations group, sang a group of semi-popular numbers in a fashion that proved their effectiveness as dispensers of public relations. They serenaded CBC student Wayne Johnson on stage, providing him during the song with a lapful of pretty co-eds.

Two former CBC students, Maude Posey and Mel Hendrickson, sang with the choir.

Graduation Application Deadline Extended To May

The deadline date for applications for graduation has been extended to the end of the first week in May according to sophomore class adviser George Haas.

Columbia Basin College gives five awards at graduation. All sophomores should review their transcripts for evidence of eligibility, Haas says.

The Associate in Arts and Sciences is earned by those students who have 96 hours of work. They must have completed a year of Freshman Composition, six quarters of PE, one quarter of Health Education, and nine quarters each in two of the broad areas of science, social science, and the humanities. This degree is given to students with cumulative grade points of 2.0. Students must also have 24 hours of credit in residence during two quarters.

The Associate in Applied Science is earned by students who have completed two years in a full-time technical - vocational course, with passing marks in every phase of the course.

The Certificate of Practical

Nursing is awarded to students who have completed the college's course in practical nursing.

The Certificate of Vocational - Technical Education is awarded to students who have completed a specified course of study, of at least three months, which has been approved by their advisers.

The Certificate of General Education is awarded to students who have completed 96 hours of college work or its equivalent, of which six hours must be in PE unless the student is exempt. The student must have spent three quar-

Football Coach

Taken

Columbia Basin's football team had their new coach taken Thursday, and he is a stranger at CBC. The coach is Dwight Pool, the man who brought the team into contention in the ranks in 1959.

Pool has been principal at Pasco High School for the last year. He was head football coach at Pasco High for five years before coming to CBC the first time. Pool's record for six years of coaching has been with 40 wins and

Pool was a football player at Walla Walla High before enrolling at Washington State University. He played three years under Coach Evashevski and still holds the kick-off return yardage record he set in 1951. He spent one year at Highland taking over at Pasco.

Pool's Hawks of '59 had more than 50 individual team records. They had an excellent season losing the first game to Wenatchee, 14-0, who went on to win the Washington State JC Championship. The Hawks had at least two touchdowns in every game.

Pool is a very successful season. He accepted the vice principal's job at Pasco Junior High School. His fine record at Pasco made him the principal's position at Pasco High School. But now he is taking over what was called his coaching.

Pool said, "The return to Columbia Basin College represents an opportunity to re-establish the school that provides the satisfaction for myself. I indicate the junior college is a bright future and I hope the students are to return to graduate work with us at the level of

Margaret Racy's net team won three matches. They defeated Centennial on Friday and beat around and beat Oregon College on Saturday. It was the second time they had beaten Central.

DeSalvo Says

By TONY DeSALVO

VANCOUVER: While looking over The Penguin's Progress, Clark student newspaper, I noticed the moans and groans of the Penguins about losing the Championship playoffs to our Hawks. "Right after intermission with CBC leading 36-30 an incident occurred that might have hurt Clark's chances considerably. Dave Ferrier, in trying to stuff a teammate's shot, bent the basket. The basket had to be replaced and caused a 20-minute delay of the game." It seems to me that they could have found some better gripes. I can think of a few, the fact that some of their supposedly top stars were having too many weeds (cigarettes) between games so they could not have gone all out if they wanted to. Another fact was that instead of being home in bed after the first game, they were at the dance until late that night. I had information that many of the CBC starters had dates after that game but cancelled them so they could get to bed early. It paid off! They also had a picture of Sal Scott supposedly stepping across the side line of the key before the foul shot hit the rim. They said there was many of these throughout the game. After a close look at the picture all I can say is take a closer look at Sal's foot and the reflection of it and then tell me it has touched the floor yet! One of their heads over a five column spread picture of the Penguins is, "They're Champs In Our Book." But we students at CBC know who the "Champs" are.

CBC: Frank Knott, one of CBC's finest runners, put on his track shoes last Saturday and turned in one of his finest running performances. Frank has been breaking CBC track records ever since the hurrier season started. He smashed the Washington State Junior College two-mile record of 10:03.9 with a performance of 9:48.7. Bob Williams is another fine CBC runner to watch out for. I am happy to see the Hawk's hurriers are starting to show form. Coach Sig Hanson is a fine coach and the Hawks should finish with a fine season.

PROSSER: The brand new Tri-City Braves took on the Columbia Basin Hawks and the Hawks made a good showing for themselves. The Braves won 6-2 but it was a real good game to watch. Many of the regular starters were missing in the Hawk lineup due to Easter weekend. But the Braves were also hurting with several pitchers playing the out field. What hurt the Hawks most were two two-run homers by the Braves. CBC stayed close in hits with six to the Braves eight. The Braves made two errors to CBC's one. Good show men.

SPRING SPORTS

The Spring Sports Dance will be held May 5 immediately following the CBC Invitational Relays at the Edgar Brown Memorial Stadium. The dance will be held in the student lounge and is being sponsored by the Lettermen's Club and the Talons Pep Club. Those being honored at the dance are the members of the various spring sports.

The dance will begin at 9:00 and last until 1:00 with the Chessmen furnishing the music. Girls will be attired in summery spring cotton dresses while the boys wear slacks and white shirts. Corsages are not required but the girls wouldn't object to any such act on the boy's part. The ad-

mission fee will be 50c and shall be paid at the door.

A court of royalty will be presented sometime during the course of the evening. The court will be nominated by the Lettermen and the Talons. The queen and princesses shall be selected from the entire student body whereas the king and princes shall be selected exclusively from the Lettermen's club. Out of the nominees there will be one king and queen with four princes and princesses chosen.

The theme of the dance is "Spring Sports" and the decorations will illustrate the theme.

A large attendance is being hoped for and there are very few reasons why one shouldn't attend. All students are welcome whether they come stag or drag.

Track Squad Sets Record

CBC's track squad had their best showing of the season when they placed first in a four way meet at the Edgar Brown Memorial Stadium April 21.

Whitman of Walla Walla won first place with 66½, Yakima 54½, and natchee 20½.

Frank Knott, CBC's star from Walla Walla, set a new state JC record in the mile run with a time of 48.7 minutes, 48.7 seconds. Knott also placed second in the run with a time of 4:28, a new school record.

Bob Williams finished second in the 880 yard run CBC. He established a school record with a time of 2:01.3.

Theron Webb copped first for the Hawks in the broad jump by jumping 10 feet 10 inches.
